

Mission

The mission of the Future Business Leaders of America-Phi Beta Lambda is to bring business and education together in a positive working relationship through innovative leadership and career development programs.

Creed

- I believe education is the right of every person.
- I believe the future depends upon mutual understanding and cooperation among business, industry, labor, religious, family, and educational institutions as well as people around the world. I agree to do my utmost to bring about understanding and cooperation among all these groups.
- I believe every person should prepare for a useful occupation and should carry on that occupation in a manner that brings the greatest good to the greatest number.
- I believe every person should actively work toward improving social, political, community, and family life.
- I believe every person has the right to earn a living at a useful occupation and that this right should not be denied because of race, color, creed, sex, or handicap.
- I believe every person should take responsibility for carrying out assigned tasks in a manner that brings credit to self, associates, school, and community.
- I believe I have the responsibility to work efficiently and to think clearly. I promise to use my abilities to make the world a better place for everyone.
